Work Experience

Senior Technical Recruiter & Funnel Architect — Devengine.ca

NOV 2025 – PRESENT

- Lead full-cycle recruitment and architect high-converting candidate acquisition funnels for specialized IT and executive positions across global markets.
- Deploy custom AI-driven sourcing workflows and prompt engineering strategies to streamline candidate discovery, reduce drop-off, and accelerate funnel velocity.
- Design automated email outreach sequences and trigger-based notification workflows to maximize candidate response rates and conversion while maintaining a personalized candidate experience.
- Utilize AI co-piloting tools to structure domain-specific technical evaluation frameworks and benchmark candidate depth objectively with a human-in-the-loop approach.

Co-Founder & CPO / CTO & Product Lead — Skillea

DEC 2025 – PRESENT

- Lead product vision, technical architecture, and UI/UX design for a high-performance EdTech learning platform.
- Architected and built the "Progress Tree" visual skill progression interface using vibe-coding tools (Claude, Lovable, GitHub) to prototype frontend and backend features.
- Define product roadmaps, manage development sprints, and optimize user engagement across the platform lifecycle.

Lead Recruiter & ATS Product Collaborator — The IT Bootcamp

OCT 2024 – OCT 2025

- Spearheaded recruitment funnel optimization strategies, cutting time-to-fill by 47% through streamlined sourcing and screening pipelines.
- Co-created and automated key components of an internal Applicant Tracking System (ATS), leading QA and AI development aspects to automate funnel steps and notification triggers.
- Provided technical assessments and structured coaching to graduates and consultants to enhance job placement funnels and long-term retention.

Technical Recruiter — Devengine.ca

MAY 2024 – OCT 2024

- Managed end-to-end technical recruitment funnels from sourcing to offer, achieving a 42% reduction in time-to-fill through pipeline optimization.
- Executed targeted sourcing methodologies and conducted multi-stage behavioral/cultural alignment interviews.

Recruiter & HR Operations Specialist — Bold Business

APR 2022 – APR 2024

- Designed and scaled end-to-end recruitment pipelines across diverse technical domains, achieving a 31% reduction in time-to-fill.
- Spearheaded employee wellbeing, satisfaction, and engagement initiatives through tailored internal programs and schedule monitoring systems.
- Managed data-driven funnel reporting, ATS operations, and seamless onboarding/offboarding workflows to reinforce employer branding.

Account Delivery & IT HeadHunter — Listopro

NOV 2021 – APR 2022

- Analyzed IT candidate pipelines and refined algorithmic search filters to improve profile matching accuracy and funnel conversion.

Sourcing Specialist — Fetcher

MAY 2021 – NOV 2021

- Evaluated and trained AI search algorithms to optimize sourcing funnels and improve candidate profile relevance.

Zoho Coordinator & Developer — Lisa's Clarinet Shop

FEB 2021 – AUG 2021

- Configured and implemented Zoho CRM / Zoho Forms automation, connecting lead funnels with technical backend workflows.

Additional Projects & Experience

Social Media and Web Content Writer/Creator — Bioética en la Red

JAN 2020 – PRESENT

- Develop strategic web content and digital communication strategies to simplify complex ethical concepts for global audiences.

Spanish Teacher — Baselang

SEP 2019 – FEB 2021

- Taught online Spanish lessons globally across grammar, conversational skills, and exam preparation funnels.

IT Recruiter — Revelo Network

NOV 2019 – OCT 2020

- Built targeted technical talent pools using specialized sourcing techniques across IT domains.

Education & Specialized Certifications

Licensed Clinical Psychologist (Licenciatura en Psicología Clínica) — Universidad Central de Venezuela (2013–2019)

- UX / UI Product Strategy & Design (Applied Skills / Skillea CPO Leadership)
- LinkedIn Recruiter: AI-Powered Talent Acquisition
- Streamlining Your Work with Microsoft Copilot
- Ethics in the Age of Generative AI
